Typical disbursements apply to every file for searches, photocopies, postage, courier charges, service charges, file fee and other costs to produce a file estimated between \$400.00 - \$490.00. Disbursements increase when buying a condo property. If you are getting a mortgage you will be required to obtain title insurance. In the City of Winnipeg, the typical cost is \$750.00 but it varies in the case of properties outside the city, for condos, and for new construction properties.

PLEASE NOTE: The above fees do not cover any services for dealing with additional issues, such as post-closing issues other than those mentioned in this letter. If there is a post-closing issue, we will discuss and evaluate the issue with you but if you request us to address the issue with the other party we will require a retainer of 2 hours (\$700.00) and we shall charge you on an hourly rate basis. Please note that our post-closing services do not include any litigation that might be required.

The above schedule is provided for general information purposes concerning matters of average complexity. The above fees do not include taxes. We try to disclose all matters that we shall charge you for however circumstances might warrant additional fees, as such this fee schedule sets out our typical fees.
